

# **Empowering Thought-Forms**

**We *have* the power to cocreate a better world...  
*and we do so!***

**We *have* the power to spread Peace on Earth...  
*and we do so!***

**We *have* the power to radiate Love into every heart...  
*and we do so!***

**We *are* the cocreators of a better world.**

**We *are* the peacemakers on Earth.**

**We *are* the Source of Love in every heart.**

**We carry within *us* the vision of a world so wonderful  
that it will be free of all suffering.**

**We carry within *us* the seed of a Peace so perfect  
that nothing can disturb it.**

**We carry within *us* the Source of a Love so pure  
that it liberates, heals and unites all.**
