

## Operation Grand Awakening - Part 2

Hello everyone!

As promised, and as a complement to **Operation Grand Awakening - Part 1** available at [https://www.earthrainbownetwork.com/pdf/Operation\\_Grand\\_Awakening-Part\\_1.pdf](https://www.earthrainbownetwork.com/pdf/Operation_Grand_Awakening-Part_1.pdf) , I propose to explore some of the multiple facets of reality as a soul can discover it in its evolutionary path.

It is a 4775 words text, available in pdf format at [https://www.earthrainbownetwork.com/pdf/Exploring\\_Reality.pdf](https://www.earthrainbownetwork.com/pdf/Exploring_Reality.pdf)

Finally, I would like to invite you, at the request of a subscriber, to take a few minutes, at your convenience on February 24, to visualize in your heart and radiate around the globe the vision of a peaceful resolution of the conflict following Russia's invasion of Ukraine, one year ago in two days.

For years, this type of intervention has been recommended, especially by the Global Meditation Focus Group, whose archives are at <https://www.earthrainbownetwork.com/FocusArchives/home.htm>.

When the combined power of Love from our souls is expressed in unified beams towards the hearts of our companions in this great journey of incarnation, this positive influence can bring about profound changes, bearer of a new consciousness freed from the fears and burdens of the past.

If you feel the need to be accompanied by a vocal guidance on a musical background, the 30 minute guided meditation available [HERE](#) is proposed to you.

Your participation as a soul in this collective meditation exercise for Peace can be a springboard to a brighter future for you and for all the souls who will accept, of their own free will, to align their consciousness on this inner resonance of Peace, Love and Harmony.
